RE: Wetlands Bureau File #2001-02533, Goose Pond Road, Canaan
Tax Map/Lot # 1G / 23; Block

Dear Harold Macgregor:

On June 9, 2005, personnel from the Department of Environmental Services ("DES") conducted an inspection of the above referenced property, more specifically referenced on Town of Canaan Tax Map 1G as Lot 23 (the "Property"). The purpose of the inspection was to determine compliance with RSA 483-B and applicable rules adopted under that statute, and specifically whether the deficiencies noted in the Letter of Deficiency issued to you on January 16, 2001, have been addressed.

As a result of this inspection, it was determined that the deficiencies described in the Letter of Deficiency have been corrected. DES will close its enforcement file regarding the Property at this time. DES reserves the right to reopen this matter should additional information be received regarding additional violations on the Property.

Please be advised that any further work in areas under the jurisdiction of RSA 483-B, the Comprehensive Shoreland Protection Act, need to comply with the applicable rules adopted under that statute.

Please be advised that any further work in wetlands, waters of the state, the upland tidal buffer zone, the bank, flat, sand dune, or other areas of jurisdiction of the Department requires a posted, approved permit prior to carrying out such work.

Thank you for your assistance to bring this matter to a resolution. Should you have any questions, please contact the Wetlands Bureau at (603) 271-2147.

Sincerely,
